

SECOND SATURDAY ♦ 2023-2024

## My Soul Thirsts for You

This year we are focusing on the Lord's "living water." The health and vitality of our souls flows from our relationship with him. We invite you to join us as we quiet our hearts, open and thirsty for time with the Lord. His dialogue with the woman at the well (John 4:1-26) illustrates the encounter the Lord desires with each of us.

☞ CLEAN WATER We will ask if our soul's water is cloudy—our thoughts, attitudes and memories in need of filtering? Are there areas of our history that need cleansing? He will renew our souls so that our deepest thirst may be for him.

☞ MET BY OUR LORD He will meet us in the context of our own story as we invite him to show us where we've sought or settled for substitutes for his living water. As at the wedding in Cana, where water was turned into very good wine, Jesus will help us thirst for and experience the best he has for us!

☞ RESTORED TO THE ORIGINAL As we pray and listen, he will speak into the places of our deepest thirst, helping us to identify our need. Our response opens us to his affirmation that he knows and loves us. We find that through these encounters, our thirst is quenched and we form new bonds with him, recognizing how he truly wants to restore us and give us deep peace.

### From Participants \_\_\_\_\_

It is an oasis for a dry, thirsty soul.

It is actually hard to put into words how wonderfully helpful and healing this prayer ministry is. I feel like a part of me that has been away is now home.

## ALL THINGS NEW PRAYER MINISTRY

Our mission is to offer a time and place for believers to deepen their prayer lives. In learning to listen for the Lord's voice in personal prayer, we are making room for the full work of renewal that is ours in Christ.

**Therefore if anyone is in Christ, they are a new creation: old things are passed away; behold, all things are made new.**

2 Corinthians 5:17 JUB

We are new in Christ by faith, through His death and resurrection. Yet we are also "being transformed into his image with ever-increasing glory ..." (II Cor. 3:18). Time in God's presence is essential in opening us to His love and truth. His love changes us! His truth frees us to grow, to know what it is to let the old pass away and the new—our growing likeness to Jesus, come. We find that His is the one voice we can fully trust to affirm, refine, counsel and heal us.

**Scripture** records many examples of troubled or sick people coming into Jesus' presence for relief from every kind of suffering. He saw each one through eyes of love, and discerned the source of their problem. He took authority over disease and bondage, sending them away healed and free.

He is the same Lord today, and in His name we find the healing and freedom we need. At our prayer clinics, prayer ministers come alongside those needing prayer. Together we come into His loving presence. We ask for the guidance of the Holy Spirit as we pray for physical or emotional healing, help with stressful relationships and other needs.
